

EuroCloud Luxembourg

Conference **“International Standards – Creating confidence in IT”** on 14th of October 2011

Amal Choury, Chairwoman Eurocloud Luxembourg

EuroCloud Luxembourg

- **Founded** in December 2009 with the support of Fedil Business Federation and ABBL
- EuroCloud Luxembourg is member of the pan European Cloud Computing and SaaS business network **EuroCloud**: currently present in 26 European countries

EuroCloud Luxembourg

- Contribute to the development of the cloud computing business in Luxembourg by creating an exchange platform « Cloud ecosystem » for cloud service providers.
- Promote and encourage the uptake of cloud services and applications on a national and international level.
- Participate in the development of a legal framework for cloud computing / SaaS on a national and European level.

Fast growing membership:
currently 30 members

EuroCloud Luxembourg

Current activities

1. Make proposals and work on an action plan to position Luxembourg among the leading countries in the field of cloud computing and SaaS applications;
2. Encourage the use of cloud computing and SaaS applications by potential clients from various sectors with a special focus on small and medium sized companies;
3. Active involvement in **European projects** through the EuroCloud network:
 - Second “**EuroCloud Congress 2011**” on 27/28 June 2011 in Luxembourg
 - “**EuroCloud Awards program**” to be held in second half of 2011 with winners of national awards.

EuroCloud Luxembourg

Direct involvement in discussions with **European Commission** on European cloud computing strategy through EuroCloud Europe

EuroCloud Europe is actively participating in the 4 working groups set up by Digital Agenda Commissioner Neelie Kroes:

- Innovation and Take up
- Data Privacy
- Interoperability and Standards

- **Security, Trust and Certification:** WG chaired by Bernd Becker, Chairman EuroCloud Germany and Vice Chairman of EuroCloud Europe.

→ The EuroCloud certification initiative “**EuroCloud Star Audit SaaS**” is a part of this discussion.

Thank you.
