your standardization partners in Luxembourg

MAKE ICT STANDARDS YOURS!
SETTING THE STANDARDS MEANS SETTING THE MARKET

WHY DO WE NEED STANDARDS?

ENHANCE QUALITY AND SECURITY

PROMOTE INNOVATION

FOSTER TECHNOLOGY TRANSFER

SUPPORT ENVIRONMENTAL SUSTAINABILITY

FACILITATE INTERNATIONAL TRADE

DEFINE A COMMON LANGUAGE

IMPROVE COMPATIBILITY AND INTEROPERABILITY

4 GOOD REASONS
TO PARTICIPATE IN STANDARDS DEVELOPMENT

1. Access draft standards and influence their content based on your know-how

2. Increase your knowledge regarding the state of the art in standardization of your core business

3. Anticipate the evolution of your activity sector's good practices

4. Integrate a strategic network of national, European or international experts

HOW TO PARTICIPATE IN STANDARDIZATION?

BE ACTIVELY INVOLVED IN STANDARDS DEVELOPMENT

If you want to **participate at any point of the process of standards development**, that is from the proposal of the project to the publication of the standard, you can **register free of charge as a national standardization delegate through ILNAS to join national, European or international technical committees**.
