MAKE STANDARDS YOURS!

SETTING THE STANDARDS MEANS SETTING THE MARKET

CONSTRUCTION

WHY DO WE NEED STANDARDS?

PROMOTE INNOVATION
SUPPORT ENVIRONMENTAL SUSTAINABILITY
FACILITATE INTERNATIONAL TRADE
DEFINE A COMMON LANGUAGE
IMPROVE COMPATIBILITY AND INTEROPERABILITY
ENHANCE QUALITY AND SECURITY
FOSTER TECHNOLOGY TRANSFER

4 GOOD REASONS TO PARTICIPATE IN STANDARDS DEVELOPMENT

- 1 Access draft standards and influence their content based on your know-how
- 2 Increase your knowledge regarding the state of the art in standardization of your core business
- 3 Anticipate the evolution of your activity sector's good practices
- 4 Integrate a strategic network of national, European or international experts

HOW TO PARTICIPATE IN STANDARDIZATION?

BE ACTIVELY INVOLVED IN STANDARDS DEVELOPMENT

If you want to **participate at any point of the process of standards development**, that is from the proposal of the project to the publication of the standard, you can **register free of charge as a national standardization delegate through ILNAS to join national, European or international technical committees.**
