

**ILNAS**

your standardization partners in Luxembourg

**MAKE STANDARDS YOURS!**

SETTING THE STANDARDS MEANS SETTING THE MARKET

**AEROSPACE SECTOR**

---

## WHY DO WE NEED STANDARDS?

PROMOTE INNOVATION  
SUPPORT ENVIRONMENTAL SUSTAINABILITY  
FACILITATE INTERNATIONAL TRADE  
DEFINE A COMMON LANGUAGE  
IMPROVE COMPATIBILITY AND INTEROPERABILITY  
ENHANCE QUALITY AND SECURITY  
FOSTER TECHNOLOGY TRANSFER

### 4 GOOD REASONS TO PARTICIPATE IN STANDARDS DEVELOPMENT

- 1 Access draft standards and influence their content based on your know-how
- 2 Increase your knowledge regarding the state of the art in standardization of your core business
- 3 Anticipate the evolution of your activity sector's good practices
- 4 Integrate a strategic network of national, European or international experts

## HOW TO PARTICIPATE IN STANDARDIZATION?

### BE ACTIVELY INVOLVED IN STANDARDS DEVELOPMENT

If you want to **participate at any point of the process of standards development**, that is from the proposal of the project to the publication of the standard, you can **register free of charge as a national standardization delegate through ILNAS to join national, European or international technical committees.**

For more information, please consult our webpage: <https://gd.lu/8lBjxj>

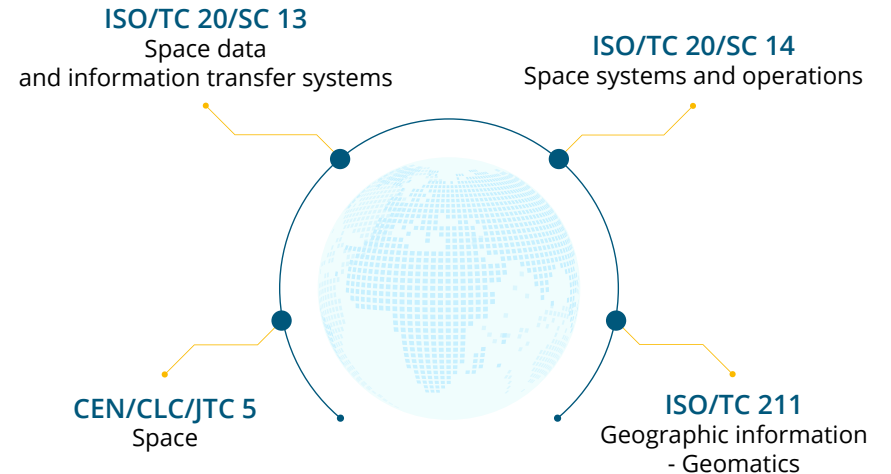

JOIN AN INTERNATIONAL NETWORK OF EXPERTS  
**DEVELOP YOUR SKILLS!**

## WHICH DOMAINS ARE YOU INTERESTED IN?

Some interesting technical committees...

### Topics of interest...

Telecommunication  
Earth observation  
Space Situational Awareness (SSA):  
- Space weather  
- Near Earth Objects (NEO)  
- Space Surveillance and Tracking (SST)  
Small satellites

Constellation management  
Power systems  
Thermal design  
Materials  
Product assurance  
Space and ground tracking networks  
etc.

# PRODUCTS AND SERVICES

## OUR TOOLS AT YOUR DISPOSAL

### Raise awareness and keep informed

- Newsletter to keep up to date with the standardization world
- Dedicated information events and workshops

### Coach and educate

- Trainings on standards and technical standardization
- Trainings on aerospace technical standardization
- Awareness sessions on aerospace technical standardization in your company

### Facilitate standards discovery

- Standards analysis of the aerospace sector
- Standards watch targeting your specific needs
- Reading stations with free access to standards
